

THE SCHOOL I WOULD LIKE

• **PLACE:** Sofia

- **NUMBER OF PARTICIPANTS:** 10 / 2 students; 2 young people; 2 parents; 1 teacher; 1 educator; 2 volunteers

• **AGE OF PARTICIPANTS:** 17-48

• **DATE:** 30/11/2012

Dreams

- School free of violence
- School of tolerance; hands-on training in civic participation
- Very scientific and modern school with ICT rooms

Contributions

- Organizing workshops with students
- Common afterschool activities
- Round tables with the school board
-

What we don't like

- Educational methods
- Violent communication
- Teachers methods

Given from the discussion:
WHAT IS SOCIAL CAPITAL

- Social Capital represents those human connections between people. They make for healthier communities and lives.
- The potential for social capital is to make a positive contribution to outcomes in diverse areas of social concern such as health, community safety and education
- We know far more about the quantity of youthful engagement than we know about its quality
- Still more to be done
