Learning Programme

The Social Capital School

Most serious would like:

- More ICT, library, greenhouse
- More "extra" activities (foreign language, swimming, music, theatre, trips & expeditions)
- Understanding and respect between teachers and students
- Adult education for free everywhere & support for disadvantaged students
- One month exchange of role between teacher and students
- More colored schools
- More space for our thoughts during lessons
- A violence free school

Lifelong
Learning Programme

The Social Capital School

Most funny would like:

- A school with 100 floors: 50 classrooms to study and 50 classrooms to have fun and satisfy desires
- A school all pink and without boys
- A school that is always closed

Most frequent dislike:

- Bureaucracy
- Violence and aggressive attitude
- Canteen's food
